2022-2023 Scholarship Application

The Morgan Conservation District is offering a \$1,000 scholarship to a local high school senior or college freshman pursuing an agricultural degree or certificate. This can include an agricultural or natural resources-based field of study.

The scholarship is disbursed in two payments of \$500, one at the beginning of the Fall Semester in 2022, and the remaining \$500 at the beginning of the Spring Semester in 2023 if the applicant has met all requirements.

Prior to receiving the Fall Semester payment, the applicant must provide the Morgan Conservation District with their Student ID number and the name and address of the school they will be attending. Once this information is received, the first payment will be mailed to the school. After the Fall Semester has ended, the applicant will provide the Morgan Conservation District with their Fall Semester transcripts and a letter regarding their activities at college. Once the Morgan Conservation District has received these items, the second payment will be sent to the applicant's school for the Spring Semester portion of the scholarship.

Applicants must adhere to the following requirements:

- A letter of acceptance from the accredited college/technical school must be provided
- Major must be in an agriculture or natural resources based field of study
- A grade point average of 2.5 or better must be maintained throughout the duration of the scholarship
- Full-time student status must be maintained throughout the duration of the scholarship
- A transcript of the Fall Semester and a written letter regarding Fall Semester activities must be presented prior to the final payment of \$500 is disbursed
- Applicant must exhibit strength of character, leadership potential, and maturity
